TERMS AND CONDITIONS OF HIRE

It is the responsibility of the hirer to follow these safety instructions to avoid injury or damage to the equipment. Special attention is to be given to the amount of persons using the inflatable at any one time to avoid crowding. Avoid having small children and larger children on the inflatable at the same time.

- ❖ This unit has an age limit of 14 years, and a height limit the same as the interior walls. Please ensure no-one over these limits uses the equipment. (Unless we have informed you that this unit is for children **and** adults, in which case only the height limit applies.)
- ❖ The responsible person who signs below is to ensure that the inflatable is fully supervised by an appointed adult at all times.
- ❖ You must be able to locate First Aid facilities in the event of an accident.
- ❖ A separate accident sheet is provided, and any injury to a participant should be recorded on the sheet, signed by the injured person or their representative, and be notified to the operator.
- ❖ Whilst we provide safe equipment which is erected in a safe manner, users of the inflatables do so at entirely their own risk.
- ❖ Some units have shower covers for use in light rain. However, in the event of heavy rain or strong wind it is strongly recommended that the inflatable be switched off. (Any wetness, including bubbling can be dried with a towel. A small picnic table placed over the blower will help prevent rain water being sucked into it, and then into the inflatable.)
- ❖ Prevent the cable, plugs and blower from becoming wet.
- ❖ Ensure that the vent on the side of the blower is kept clear at all times. (Leaves, sweet wrappers etc. caught on the blower may deflate the castle)
  
- ❖ All shoes, badges, jewellery, (i.e. large earrings, necklaces etc.) **MUST** be removed. It is recommended that spectacles are also removed.
- ❖ Climbing, hanging, or sitting on the walls is **DANGEROUS** and must NOT be allowed.
- ❖ Do NOT allow toys, food, lollies, sweets, drinks or any sharp objects to be taken onto the bouncer as these may cause injury, choking or damage to the equipment.
- ❖ No face-paints, party poppers, coloured streamers or "silly string" are to be used on the bouncer, as they can cause permanent staining.
- ❖ No smoking or naked flames near the bouncer.
- ❖ Ensure that no-one with a history of back or neck problems are allowed on the inflatable.
- ❖ Do not allow users to be on the unit during inflation or deflation.

**DISCLAIMER**

► Please note that all persons using this inflatable do so at their own risk. The person / organisation hiring the equipment will be responsible / liable for any damage or injury occurring from or as a result of misuse or reckless use. These guidelines are for the safety of all people using this equipment, and it is the sole responsibility of the hirer to ensure they are adhered to.
